logitech Microsoft Teams

Simple, sustainable & built for what's next

9 reasons to choose next-generation Logitech solutions for Microsoft Teams Rooms.

RALLY BAR 2, TAP IP 2

TAP SCHEDULER 2

Certified for Microsoft Teams

1. Certified and Built on MDEP

Logitech devices are certified for Microsoft Teams and many of our next generation solutions are built on Microsoft Device Ecosystem Platform (MDEP) to deliver consistent, intuitive, reliable Microsoft Teams experiences across various spaces.

2. AI-powered devices

Inclusive meetings by design. AI-driven video and audio from Logitech, combined with Microsoft Teams features like IntelliFrame and Front Row, ensure every voice is heard and every face is seen, no matter where participants are.

RALLY AI CAMERA PRO

3. All people, all spaces

From small huddle rooms and open spaces to large boardrooms, Logitech's versatile portfolio delivers a consistent, high-quality experience—scalable and modular to fit any space without compromise.

RALLY SYSTEM 2 PRO

Built on Microsoft Device Ecosystem Platform

4. Simple setup and scalable deployment

Set up and deploy Logitech solutions effortlessly across multiple locations, with plug-and-play ease, flexible install options, and minimal IT involvement.

5. Streamlined IT management

With Teams Admin Center, Teams Room Pro Management Portal, and Logitech Sync, IT teams can remotely monitor, update, and manage Logitech devices at scale for greater control and uptime.

6. Smarter meetings with Copilot

Logitech solutions supercharge Microsoft Copilot—transforming conversations into real-time insights, actions, and next steps. Together, we bring intelligent collaboration to every meeting space with unmatched AI-powered audio and video clarity.

7. Windows, Android, or BYOD

Logitech devices offer certified simplicity on Windows or Android, giving you flexibility to choose the operating system that best fits your IT environment, future-proofing your investments while preserving your Microsoft Teams experience.

8. Global availability and Pro Support

Standardize worldwide with Logitech solutions—backed by global services, up to 5-year warranties, and dedicated support for seamless deployment and peace of mind.

9. Designing for sustainability

Make a choice that is better for the planet, while prioritizing carbon reduction. **85%** of Logitech products use post-consumer recycled (PCR) plastics.

As #1 in global video-conferencing hardware (Units)*, Logitech is trusted by organizations worldwide.
