MX Anywhere 3S for Business

Maximize employee productivity with MX Anywhere 3S for Business. This compact mouse is designed for mobile work — from home office to cafe to airport lounge.

Peak performance anywhere

MX Anywhere 3S for Business helps employees get more done, wherever they work. Quiet Click technology helps them focus, while MagSpeed scrolling and precise tracking improve productivity and accuracy. Employees can customize button mapping for even more efficiency¹.

MX Anywhere 3S for Business is simple and convenient for IT, too. Logi Bolt ensures a secure wireless connection. Logi Options+ software allows IT to manage devices remotely. And the mouse is compatible with most major OS across desktops, laptops and tablets, so deployment is a breeze.

Features

- Logi Bolt secure wireless technology
- 8000 DPI tracking on any surface — even glass²
- Quiet Click technology
- MagSpeed scrolling
- Easy Switch button — up to 3 devices
- Multi-OS compatibility
- Mass Deployment
- Certified and available in over 100 countries
- 2 year limited hardware warranty
