Wave Keys MK670 Combo

Designed for comfort and productivity, this easy-to-use combo offers a wave keyboard with familiar typing and a contoured mouse with rubber edges for a sure grip and steady control.

Connect both devices easily with Logi Bolt USB receiver for a secure wireless connection. Designed for sustainability, this combo features plastic parts made with a minimum of 61% post-consumer recycled plastics.¹

- **Familiar feel, all-day comfort:** The wave design feels instantly familiar and comfortable, allowing employees to easily make the switch from straight keyboards.
- **More wrist support, less pressure:** Cushioned palm rest with memory foam is designed to reduce pressure and offer better wrist support.²
- **SmartWheel technology:** Get precise line-by-line or super fast scrolling with a flick of the SmartWheel.
- **Quiet typing and clicking:** Stay focused with keys and clicks that are quiet. Silent Touch technology produces 90% less click noise³ from the mouse.
- **Logi Bolt wireless technology:** Offers secure and reliable wireless connection even in congested wireless environments.
- **Designed for a positive future:** Made with a minimum of 61% post-consumer recycled plastics¹ and FSC™-certified paper packaging to reduce impact on the environment.

Connectivity	2 ways to connect	Logi Bolt Receiver, <i>Bluetooth</i> ® 5.1
	Wireless range	Up to 10 m (33 ft) range ⁴ (with open field line of sight)
Durability (key presses)	Service life	10 million keystrokes (standard keys) 5 million keystrokes (F-row keys)
	Reliability	MTTF* > 150K hrs *Mean time to failure of electronic components
