

Logitech iPad Solutions for Education

Logitech accessories enhance Apple® experiences— and that’s completely by design.

In fact, we’ve been designing solutions for Apple products for over a decade. The result is a suite of tools that elevate every Apple experience with more functionality, more customization, and more comfort. Logitech’s Rugged Combo keyboard cases and Crayon digital styluses are built to pair with each other. Rugged durability and seamless design? That’s what we call a perfect combo for students of all ages.

LOGITECH CRAYON

EXPRESSLY FOR EDUCATORS

Educators need solutions that enable them to feel comfortable, focused, and prepared to do everything they can for their students. The Combo Touch and Folio Touch are built to work in any environment, with four use modes that allow you to type, edit, sketch and read, anywhere. A slim, lightweight design and an ergonomic keyboard empowers educators with the comfort to do anything, in and out of the classroom.

COMBO TOUCH
