LOGITECH COMPUTE MOUNT

Securely attach Logitech RoomMate or a compute device anywhere in your meeting space. Logitech Compute Mount provides integrated cable retention and a hideaway design for a tidy installation.

A CLEAN AND SECURE MOUNTING OPTION

Logitech Compute Mount is designed for meeting rooms equipped with Logitech RoomMate video conferencing appliance, or a compute such as a Google Meet compute system or Intel NUC.

Use Compute Mount to mount devices in a clean and secure way so they remain out of sight and out of harm's way. Keep connections tight and organized with the cable retention clamp.

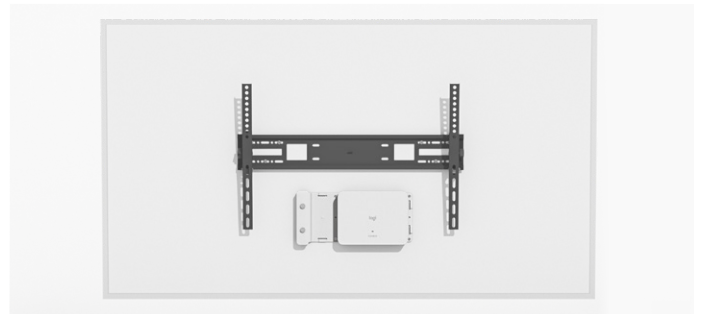

Designed for discreet installation behind displays, inside cabinets, or with a cart, Compute Mount is a great fit for meeting rooms, retail locations, trade show displays, and more.

Logitech Compute Mount shown with RoomMate

Mount and secure RoomMate or a compute using the standard 75mm or 100mm VESA mounting patterns.

Hideaway design and included hardware allow for easy installation of the appliance behind a display, in a cabinet, or on a cart.

Logitech Compute Mount shown with RoomMate

Cable retention clamp relieves cable strain and keeps connections tight and secure, including USB, HDMI, power, and network cables. The two-piece clamp is elevated for greater flexibility and less strain.
