Logitech Essential for Rooms

Logitech Essential is a comprehensive service plan that includes advanced software tools to help you manage your spaces and Logitech devices efficiently. With Logitech Essential for Rooms, you get granular visibility and total control of your Logitech devices and meeting rooms.

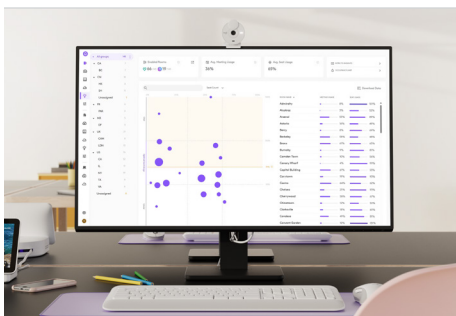

Manage devices with ease

Logitech Essential gives you access to all advanced features of Logitech Sync. Be notified of any issues so that problems can be fixed before they impact your business. Through Remote UI Access, you can resolve issues, change device settings, and manage setup without being physically onsite.

Efficiently manage spaces

Leverage advanced features for space booking and more. With Essential, you have access to platform-agnostic workspace automation features such as Auto Book and Auto Release and Logitech View, as well as our own native Room Booking solution.

Understand room and device usage

Reliable insights on space and device usage help you make impactful and wise decisions on future IT investments and workspace-related changes.

Get coverage and care

Essential includes Logitech's basic support; available business hours Monday to Friday; and our standard hardware warranty of two years, extendable up to five years with Extended Warranty.
